Statistics & Reports

This page contains links to sites with statistical information and published reports on subjects such as U.S. military casualties (DCAS), aggregated roster immunization reports (ICRS), and military training and readiness reports (START).

[DMDC Data Request System \(DMDCRS\)](#)

<https://dmdcrs.dmdc.osd.mil/dmdcrs>

Site Visitors: DoD staff (civilians and contractors)

Purpose: The DMDC Data Request System is the primary method for customers to submit requests for data. (DMDC maintains the largest archive of personnel, manpower, training, and financial data in the DoD.) DMDCRS, which is available 24x7, allows users to:

- Submit data requests
- Track the status of reports and projects
- Provide contact information for DMDC Points of Contact (POCs)

All requests are centralized and tracked, thereby providing a historical record for customers and DMDC alike. DMDCRS is a user-friendly application that is responsive and easy to navigate.

[Defense Casualty Analysis System \(DCAS\)](#)

<https://dcas.dmdc.osd.mil/dcas/app/home>

Site Visitors: All service members and their families, DoD community (including civilians)

Purpose: The central objective of DCAS is to collect and maintain U.S. casualty information on war fighters who have fallen in global or regional conflicts involving the United States. This site is maintained by DMDC. While this data is used to support and influence many practical objectives, DMDC understands the sensitivity of this information and extends its respect to families and friends across our Nation who have lost loved ones to the wars and conflicts described here.

- Data is updated daily from each of the four Services
- Data is gathered on deceased, wounded, ill, or injured Active Duty United States military personnel and Guard/Reservists

[Defense Personnel Records Information Retrieval System \(DPRIS\)](#)

<https://www.dpris.dod.mil>

Site Visitors: Authorized Federal, State, and Local Government agencies, including DoD, DoJ, DoL, FBI, and VA. Veterans and Service members have access to their Official Military Personnel File (OMPF) information using the DPRIS Portlet made available through eBenefits.

Purpose: DPRIS is an electronic gateway that allows authorized users to access the Services' OMPF repositories and the Joint Services Records Research Center (JSRRC) online in a secure and efficient manner. DPRIS is focused on improving accessibility to OMPF information within both the Services' records management systems and the JSRRC for the Department of Defense (DoD), Service Members, Veterans, and authorized Federal, State and Local Government agencies
